The screenshot shows the top portion of the European Parliament's official website. At the top, there is a navigation bar with the text "European Parliament". Below this is a search bar containing the query "voltage + volt". To the right of the search bar are several icons representing different languages and services. Below the search bar, there is a section titled "Search on" with two radio button options: "MEPs" (selected) and "All Europarl websites". To the right of this is a "Parliamentary term" dropdown menu set to "Current term". Below the search bar, the results are displayed as "Search results for : 'voltage + volt'" followed by "Showing 10 of 76 articles". The first result is titled "Written explanations of vote - 8th parliamentary term | Alberto CIRIO | MEPs | European Parliament" and is dated "29/09/2019". The snippet of the article text discusses the satisfaction with the 2020 budget, mentioning a total of 350 million EUR for excise duties and the intention to support products eligible for exemption from VAT.
